October 28, 2010

This Seminar is designed to expand the skills of the experienced E-Filer. Knowledge in the application and use of the ECF system is required.

Electronic Case Filing (ECF)

Seminar for Experienced E-Filers

Have You Ever Wondered?

- How do I find the right docketing event?
- What information should be redacted in pleadings?
- Where can I find the information I need on your website?
- What are the top 10 filing errors and how can I avoid them?

Announcing an exciting opportunity to attend a seminar for experienced Electronic Case E-Filers.

The evolution of ECF provides significant efficiency in case filing. Attend and find out how to be a more successful e-filer!

**U.S. Bankruptcy Court
Central District Illinois**

**For more information and to register visit the court site:
www.ilcb.uscourts.gov**

Don't miss this FREE seminar!

These questions and many more will be answered during a 3 hour seminar designed specifically for experienced users of the electronic case filing system (ECF). Registration is limited to attorneys who may bring one staff member for any session where CLE credit is offered.

2.5 hours of CLE credit is approved by the Minimum Continuing Legal Education Board of the Supreme Court of Illinois.
