

UNITED STATES BANKRUPTCY COURT
CENTRAL DISTRICT OF ILLINOIS

FIRST SUPPLEMENTAL
STANDING ORDER REGARDING MANDATORY USE
OF LOCAL CHAPTER 13 PLAN FORM
(Effective 1/1/20)

Pursuant to Federal Rules of Bankruptcy Procedure 3015 and 3015.1, effective December 1, 2017, all Chapter 13 plans filed in the Central District of Illinois—original or amended—must be filed using the local plan form adopted by the bankruptcy judges for the Central District of Illinois. The local plan form that became effective December 1, 2017, has been revised. The revised plan form, with an effective date of January 1, 2020, is available on the Court's website. Beginning January 1, 2020, the use of all other Chapter 13 plan forms is prohibited. Plans filed on other forms may be stricken without further notice or hearing. If a plan is required to be filed pursuant to a statutory or court-ordered deadline, that deadline will not be extended due to the use of the wrong form.

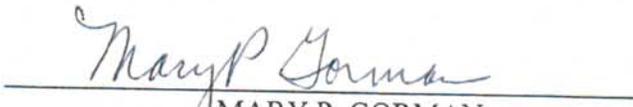

In all other respects, the Court's prior Standing Order Regarding Mandatory Use of Local Chapter 13 Plan Form dated October 30, 2017, remains in effect. This Order may be supplemented by further orders or published procedures or protocols issued, either collectively or individually, by the Judges of this Court.

DATED this 2nd day of December, 2019.
