

UNITED STATES BANKRUPTCY COURT  
CENTRAL DISTRICT OF ILLINOIS

**SECOND REVISED STANDING ORDER REGARDING CREDIT COUNSELING**

Pursuant to Federal Rule of Bankruptcy Procedure 1007(b)(3) and (c) and §521(b) of the Bankruptcy Code, each individual debtor is required to provide a statement of compliance with credit counseling with the petition in a voluntary case, as set forth in Part 5 of Official Form 101, which must include one of the following:

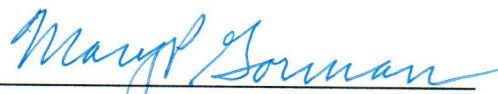

- (A) a certificate and debt repayment plan, if any, required by §521(b); or
- (B) a statement that the debtor has received the credit counseling briefing required by §109(h)(1) but does not have the certificate required by §521(b), in which case the certificate must be filed within 14 days of the order for relief; or
- (C) a certification under §109(h)(3), describing the debtor's efforts to obtain the required credit counseling briefing and exigent circumstances that merit a temporary waiver of the requirements of §109(h)(1); or
- (D) a motion to excuse the debtor entirely from the credit counseling requirements of §109(h)(1) because of incapacity, disability, or active military duty in a combat zone as defined in §109(h)(4).

For all individual and joint voluntary cases filed in the Central District of Illinois on the date of this Order and thereafter, **IT IS ORDERED** that the failure of any debtor to file the certificate or motion specified in (A), (C), or (D) above **with the petition**, as applicable, or to file the certificate in relation to a statement made under (B) above **within 14 days of filing the petition**, will result in automatic dismissal of the petition as to each such debtor without notice or hearing.

ENTERED this 13th day of June, 2023.
